THE CANADA LIFE ASSURANCE CO.

A BUSINESS PROPOSITION.

We offer you a better investment than Government Bonds.

Better for three reasons:—

1st.—Canada Life 5 per cent. Gold Bonds yield a much higher rate than Government Bonds.

2nd.—They are paid for by instalments—cash placed while the policy of term without capital.

3rd.—They are insured. That is, should the investor die after paying only one instalment on his bond, all his future payments the Company would be immediately cancelled and the benefits of his investment would all once become available.

As to all these advantages: life very material one that the investor shares in the surplus earnings of this leading Company, and you have an opportunity for sale and profitable investment; fully equalled. A handsome booklet, giving a full explanation, will be sent on request.

### KEEP GROWING.

It is representations of agricultural life, presented in a manner that is both interesting and instructive. The illustrations are so arranged as to show the various stages of growth, from the seed to the mature plant. The artist has done his work well, and the result is a series of pictures that are both beautiful and useful. the "Recesses," for those who need to read other literary novels, "City of Dreadful Night" will be sure of an idyllic street in picking up a tale by James Joyce. "The Orchard Vineyard" is wonderful, as sketches the orchard day by day by a very persistent man and an insouciant bull pup; and when it turns out the reader will want to know more for himself. Suzanne Masson is rarely better than in her humorous story lately called "The Wonderful Story of Kitty McGowan," and in her Irish manners can "rather go on" in wild tales they have seldom or never demonstrated it.

## Amenities and Furnishings

**\$6,000 WORTH OF BRAND NEW GOODS TO BE SOLD AT MANUFACTURER'S PRICES**

**Sale Starts in Wednesday Bargain Day, July 5th and Continues Until All Are Sold.**

We've decided to go out of all the Men's Goods and House Furnishing Goods and discontinue these departments. Good reasons for making the change: 1st—Because the walls of the store must expand fast enough for our growing business, and hence we haven't room to stock and display these lines properly. So all the goods in these departments MUST GO OUT QUICKLY. Most of our customers know from experience on busy days that we are very much crowded and cramped and inconvenient in the showing of goods and serving you. You will perhaps be glad to know that the Women's Ready-to-wear Department and the Smallware and Gloves and Hosiery Department will be enlarged and hereafter comprise a larger, better and up-to-date stock than we have ever had. The change will also make this store the only exclusive Dry Goods and Ladies' Store in town. Most of our other departments will be re-arranged accordingly which means more or less moving and up-setting of stocks, so the less stock we have the better. But a lot of things have to happen before them. The Biggest thing is the entire disposal of these two stocks and a pile of goods from other departments. The stocks are all new seasonal and reliable quality. There'll be bargains a plenty, but if your neighbor gets here first and gets the best, just be good natured and look for the next. Don't miss the opportunity, be here early on Wednesday morning.
